

Visit Haliburton's Winter Carnival

See special carnival edition in this week's Echo

"The role of the weekly newspaper is to mirror, faithfully and conscientiously, the community to the community, to provoke it where necessary, to praise it whenever possible, to defend it faithfully but always to serve it best by penetrating with the local news to a depth not possible with any other media."

From Vol. 1, Report of the Special Senate Committee on Mass Media, 1970.

Haliburton County The Echo

The Haliburton County Echo was established in 1882 as the Minden Echo and Haliburton Recorder. It is an independent weekly newspaper serving Haliburton County as its voice for 94 years. The Echo is published every Wednesday by Algonquin Graphics Ltd. Box 360 Haliburton, Ontario.

Vol. 93 No. 25

Wednesday, February 16, 1977

20 cents

Bert Main drove students from Victoria Street School on their sleigh rides on Monday. Groups of children were bussed to the Paradise Lodge and driven on the sleigh for a tour down the Paradise Cove Road. Any children who did not ride on

Monday were scheduled to be driven on the sleighs on Tuesday by Victor Hutchings along a different route. It was all a part of Carnival Week at the school.

County workers get 35 cent an hour raise

Wage settlement figures for Haliburton County employees were released this week indicating that increases of 35 cents an hour for hourly employees and eight per cent for salaried personnel have been agreed upon for 1977.

Chairman of the Roads Committee of Haliburton County Council, Stanhope Reeve Sinclair Nesbitt noted at Stanhope Council Feb. 9 during Stanhope salary negotiations that the 35 cents an

hour increase was a figure decided upon by Dysart et al as well as by the county.

The increases have been approved by county employees, Mr. Nesbitt said Thursday but the final figures have not yet passed before county council.

Negotiations were completed Jan. 25 between C.U.P.E. representatives and county council members. County Road Engineer Bill Obee at that time declined to

comment on the amount of the settlement, saying that he preferred to wait until the figures had been ratified by county council.

Mr. Nesbitt said that he could see no harm in releasing the figures now. County Council will not meet in the month of February. The next meeting will be the third Wednesday of March.

Mr. Obee said Friday that no change is expected in the settlement when the amount does come to county council.

The 35 cent an hour increase goes across the board, to employees who make from \$4.09 to \$5.30 cents an hour. The average salary is \$4.87, meaning an average increase of 7.6 per cent.

Arena fund group holds meeting

Representatives of the Haliburton Rotary Club and Dysart et al council met last week for an organizational meeting of the "Arena Renovation Fund."

Representing the council and the municipality at the meeting were Reeve Murray Fearrey and Clerk Wayne Wood.

Mr. Wood advised the group that the total cost of the renovations and improvements to the arena would be \$93,000 of which \$15,300 had to be raised in the municipality.

A news release on the meeting points out that a bank account has been set up and donations from the public and interested organizations can be made out to the "Arena Renovation Fund", Box 382, Haliburton.

The release states that this fund will make it possible for "new unbreakable glass panels to replace the existing wire screens behind the end boards, a new Zamboni ice resurfacing machine, new kick boards and side boards, infra-red heaters for spectators, new concrete seating and additional dressing rooms."

The next meeting of the committee will be held March 4 at PineStone Inn and any community organization wishing to be represented on this committee may contact either Wayne Wood at the municipal office or Art Ward, Rotary president at 457-1800.

The release states, "It is hoped that the total \$15,300 can be raised this summer." The meeting was held at PineStone.

Tax bills sent out early in Dysart

The usual complaint about taxes is that they are too high, but one resident of Dysart et al is concerned that his tax bill sent was sent out too early and there is no discount for early payment.

A letter from the resident was read at Monday's council meeting.

Fireworks' bylaw will stand

It is unlikely that Dysart et al Council will change a bylaw to allow the family use of fireworks in the municipality.

The council received a letter Monday from a chemical company asking that the bylaw be reviewed.

Reeve Murray Fearrey said it is a little bit different situation when one considers the use of fireworks in an urban area compared to a cottage area.

Deputy Reeve Harold Bannon added that he doesn't think fireworks should be allowed for family use.

Reeve Murray Fearrey said he cannot read the name on the letter.

It was noted at the meeting that the municipality has had two or three letters from people who were upset by the early billing and no discount on this year's tax bill.

Seasonal residential

Council wants zoning to stay in Stanhope

Stanhope ratepayers who objected to the seasonal residential clause in the restricted area by-law being examined by Stanhope council will be asked to reconsider their objection and allow the seasonal residential zoning to stand on the grounds that it will provide greater protection for the lakes in future development.

Stanhope Reeve Sinclair Nesbitt said at the Stanhope Council last Wednesday that he is "not convinced" that the property owners who asked that the seasonal residents clause be removed from the bylaw "have thought this out."

Property owners' associations and ratepayers met with Council and planners in October and voiced their objection to the seasonal residential zoning drafted into the bylaw. They felt that the zoning was discriminatory, since it would prohibit year round residence on seasonal properties whose owners pay taxes for full services for the full year. It has been noted, however, that the seasonal resident would be able to apply to council or to a committee of adjustment in order to have zoning on his property changed if he ever decided to upgrade his home and live here the year round.

Stanhope Council decided in November to support the ratepayer's objection to the seasonal residential zoning, since the ratepayers pay full assessment on their properties and have a right to ask for full services.

As a result of the objection, planners Totten, Sims and Hubicki notified council of a possible solution to the SR zoning problem. A letter read at Feb. 9 council meeting from planner William Dolan suggested that the meaning of the SR zoning

designation be changed from seasonal residential to shoreline residential. As the bylaw now stands, most of the SR properties are on the lakes, since the bylaw sets out existing land uses.

The shoreline residential zone would allow for seasonal or permanent use of the area. The SR symbol could be left unchanged on the maps that have already been drafted for the bylaw, meaning a large saving to the municipality.

When this information was put before council, Mr. Nesbitt voiced his concern that "in a few years, things could change so immensely, 50 per cent of those cottages could be held on a permanent basis, as they are now, with now improvements" if the seasonal residential meaning was cancelled.

He suggested that representatives of the property owners' associations "get together and really decide if they want that wording taken out". He said that he was not going back on what he said at election time, but wanted

to hear "that they have really thought about this".

He noted that as the bylaw stands now, the lakes are protected, but that shoreline residential zoning, which would permit seasonal dwellings to be used for permanent homes without controls by council, could mean that the lakes are not cared for in the future.

Councillors Napier Simpson and John Tomlinson were appointed to meet with property owners' associations representatives in Toronto this week in order to

decide their final position on the matter.

Stanhope council decided at a meeting in January to proceed with their restricted area bylaw in spite of planning action that is being initiated on the county level.

The Stanhope bylaw has been on the table since 1971, and might still be completed before a County plan.

The bylaw must be approved by the Ministry of Housing and the Ontario Municipal Board before it can be put into effect.

County to get metric signs

Both Dysart and Anson, Hindon and Minden Council's will be working through the county in purchasing metric traffic signs for their municipal roads.

The two councils agreed with a suggestion from County engineer Bill Obee that the signs, which have to be installed this year, be purchased at one time by the county.

This is an attempt to cut down on the costs of the signs.

It was pointed out at Dysart's Council meeting that there are probably no more than 12 signs owned by the municipality that will have to be changed.

Anson, Hindon and Minden council will take a survey of the number of signs in that municipality.

Dysart Councillor, Roy Brohm suggested that the municipality wait until the last possible moment to put the new signs up so that the people can get use to

them on the highway before they have to on municipal roads.

Council to consider senior centre

A request by the Social Planning Council to have a senior citizen centre in Haliburton Village will receive consideration by Dysart et al Council.

The social planning council suggested to the municipal council that perhaps a senior citizen community centre could be built in conjunction with a new curling club if a new curling club is going to be constructed.

Reeve Murray Fearrey said it is something for the council to consider.

There was plenty of action in the Alcide Carpentier Pee Wee Hockey Tournament played over the weekend at the Dysart Arena. A total of 22 teams played in the event with Stouffville coming up grand

champions, Oakville grand consolation champions and Mississauga A-A Minor champions. For more details on the tournament see page 6.

Report from Queen's Park

BY MPP JOHN EAKINS

At the end of the Fall Session, the Ontario Legislature adopted some 48 new procedures. The new rules were produced by a Committee of the Legislature, based upon research and study material and the many recommendations of the Ontario Commission on the Legislature. This Commission was, as you will no doubt recall, appointed in 1972, in recognition of the fact that it was necessary to enhance the role of parliament and the power of parliamentarians. The Commission members were Conservative Dalton Camp, Liberal Farquhar Oliver and New Democrat Douglas Fisher.

While some people may consider the new rules to be a major break-through, they are for the most part of a minor or housekeeping character. Some are no more than repetitions of current rules which have somehow become distorted, usually to the Government's advantage. For example, proposed legislation may not be called for second reading, that is approval in principle, until it has been printed, which enables Members to know what they are debating. This rule is repeated as if it were new, because the Government has often made a practice of pushing through bills before they are available in printed form.

The daily Question Period has been lengthened to

one hour, which means that more Members will have an opportunity to ask questions during the additional fifteen minutes. Party Leaders will be allowed two questions, and the remainder of the time will be allotted to the other Members, taking turns in rotation.

Currently, there is no requirement in the parliamentary system that the government must answer questions. A minister may or may not answer as he pleases, and he may answer how he chooses. There is only one recourse available to a Member who is dissatisfied with an answer to an oral question, and that is to force a half-hour debate before the Legislature rises on Tuesday nights, popularly called the "late show". In fact, written questions frequently stay on the Order paper, unanswered, until the Legislature prorogues.

Of course, this situation could easily be rectified by simply abolishing the rule that a Minister is not obliged to answer, thereby making it possible to table a motion of censure for failure to reply. However, neither the Special Committee nor the Legislature approached the problem in this way. Instead, the new rules provide for another "late show" on Thursday nights, for Members dissatisfied with answers to oral questions. With respect to written questions, a Minister will have to say within 14 days either that he isn't going to answer, or that the answer will be costly or time-consuming to prepare.

Under the new rules, bills submitted by non-government Members may become law. For the first time, there is provision for a Private Member's Bill to receive second and third reading. Traditionally these bills have been debated for an hour and then allowed to "die" but in future two of these bills will be debated each Thursday afternoon, with each of the parties taking turns in rotation to present this type of legislation. Unless there is an objection raised by twenty members, each item will come to a vote at 6 p.m. that same afternoon.

These changes will greatly enhance the role of the M.P.P. who will now have the same power as a Cabinet Minister to introduce legislation, which may subsequently be passed under his name. With this prestige will come an added responsibility. As it is unlikely that a Member will have more than one opportunity to submit a Bill, he must choose an issue or an item which appeals to the majority of the House and is of province-wide importance.

The rules make it clear that no bill of this type may involve the expenditure of public money. This is in accordance with the age-old parliamentary tradition which gives only the Government the right to collect and impose taxes and to spend taxpayers' money.

Paul E. Aldred

Man fined \$150 on drinking charge

James Bowland, 19, of Hamilton was fined \$150 and costs in the provincial court in Minden on Feb. 1 on a count of impaired driving, and was fined an additional \$200 for a count of public

mischief.

Bowland was stopped in Monmouth township on March 20, and gave his brother's name to investigating officers rather than his own name. He was charged with impaired driving at that

time, and later with public mischief and intent to mislead by giving a name other than his own.

Defence counsel for the accused argued that to be convicted on account of public mischief, there had to be intent proved. He noted that since Bowland had been drinking, there was some confusion surrounding the identification, but that he had at least given the address where his brother and parents were residing. Counsel suggested that Bowland should not be sent to jail since he was young, and would be employed by the next month. He also noted that the plea of guilty entered should mitigate the sentence.

Judge Ian Monro said that while Bowland probably should be sent to jail, he

would only call for a fine, due to the age of the accused.

Bowland was in custody in Lindsay on other charges until Feb. 2.

Midgets perform well in tourney

The Haliburton Beaconbrook Midgets came up with three big performances in Timiskiming, Quebec and ended up the winner of the special Ontario versus Quebec game.

In the regular tournament Haliburton downed Noranda Moose 3-2 in the first round.

In the second round Haliburton had Brouse Construction of North Bay on the ropes for most of the game but ended up on the short end of a 5-3 count.

In the special Ontario versus Quebec game Haliburton won 8-1 over Timiskiming.

The Ontario versus Quebec game is played the Sunday of the tournament between the two best clubs from each province who have not advanced to the finals.

Provisional County of Haliburton NOTICE TO ALL TRUCKERS RENTAL OF DUMP TRUCKS FOR THE YEAR 1977

The Provisional County of Haliburton Roads Department, request that all truckers who would like their names on file with the County for possible work during the year 1977 come into the County Office in Minden and leave the required information or send in for the forms to Box 399, Minden, Ontario.

Curling News

Each year one feature of Haliburton's Carnival is the big Mixed 'Spiel at the Curling Club. 24 Rinks from near and far start out Friday night at 6 p.m. trying for the Hiram Walker Trophy. The oldest Trophy in the Club's show-case. Along with the trophy goes the 4 Silver trays to the winning rink. This year's Spiel has been filled since soon after New Years, and will again be under the chairmanship of Phyllis Woodcock and her committee.

Haliburton rinks were travelling this past week-end. Our Colts OCA representative - Gary Bailey's rink - took one win out of three at Fenelon Falls in a tightly fought round. Our good JR. Rink had tough luck at Gananoque losing to a strong Ottawa 4-some for the Eastern Ontario title. Bob Colliver's rink playing at the Peterboro Masters had better luck, coming through with 2 out of 3 games to qualify for the finals next Sunday in Peterboro.

Club competitions for the Seasons Trophies are very, very close in all leagues. With only 2 games to go before play offs it looks like all trophies are still up for grabs.

Monday Mens - Steve Colliver's good Jrs. are yet to be beaten with 5 wins - Bob Colliver and Ron Barr even at 4 and 2. Kuno and Huston are 3 and 3. Stinson 2 and 4. Wednesday Men's, has Bob Colliver leading with 4-1 with Dave Gray and Clark Bailey next with 3-2. Thursday Mixed 7 p.m. draw has Gary Bailey on top with 5-1, then 5 rinks at 3-3 - Walling, Chatfield, Stinson, Kuno and Bob Colliver. The 9 p.m. draw shows 4 rinks at the top with 4-2 records, McNaul, Ken Wilson, Dave Gray and Glen Blair.

In the Ladies Division no rink is undefeated - but Jean Colliver leads with 4-1 - and Anne Schell, Linda Beachli and Karen O'Connor all have 3-2. We are sorry to lose one of our top lady curlers, Anne Schell moving to Sudbury for the Bank of Montreal. We wish her all the best in her new position.

2 years probation for area resident

Frederick McColl was put on an additional two years probation at the provincial court in Minden on Feb. 1

for two counts of breach of probation, on March 14 in Glamorgan and Feb. 5 in Gooderham.

The conditions of the probation state that he is to report to a probation officer, stay out of licensed premises, have no one purchase alcohol for him and take treatment for alcoholics.

**Handicapped people
can be
productive and
self-supporting.**

**This is what Ontario
is doing to help.**

Your Ontario Government operates a program called Vocational Rehabilitation Services, which is designed to assist physically, mentally and emotionally handicapped people to become employable and where possible self-supporting.

These services are available without charge.

They include:

- medical and vocational assessments
- vocational guidance and counselling
- work adjustment training
- job placement
- artificial limbs, wheelchairs and braces
- training in community colleges, universities,
- trade and business institutes, and industry

Last year, 11,800 handicapped persons received one or more of these services.

The program also helps employers, by pre-interviewing job applicants, providing information about their abilities, sharing wage payments during initial on-the-job training, and offering many other supportive services.

Through the Ontario Ministry of Community and Social Services, a staff of trained counsellors and supervisors helps the handicapped person develop his or her work potential.

For more information, write for your copy of the free booklet "Help for the Vocationally Handicapped", which describes the Vocational Rehabilitation Services program in detail. Contact your local Ministry of Community and Social Services office, or write to:

G.W. Blakley

New pastor of Allsaw Church

On January the 30th this year Rev. G.W. Blakley became Pastor of the Allsaw Pentecostal Church. During the past four years Rev. Blakley and his wife along with four young men travelled full time across Canada and the United States in the Evangelistic ministry.

Their Gospel singing group known as The Blakley Singers has performed in auditoriums, Churches, High Schools, Rodeos, as well as hosting their own T.V. and Radio shows. Bro. Blakley has been in Gospel Music since he was a young teenager and has produced a number of Gospel recordings by The Blakley Singers.

Rev. and Mrs. Blakley's two children travelled with the group on the road, taking their schooling by correspondence. Their son and daughter seem to be happy to be back in the public school system and living in one place for a change.

Rev. Blakley says that he wants the church to be community oriented. He believes that the church, preaching the Gospel of Jesus Christ is the Stabilizing factor in our society. He believes that a church should be a place where people can come and worship the Lord in open praise; where they can hear the Word of God preached and find peace for the Soul through a personal faith in Jesus Christ. He believes as the Bible says that the Gospel is not in words but is in Power. He also believes that the church should be a place where people can come for prayer for healing and for deliverance and receive the same by faith.

Rev. Blakley keeps a very busy schedule. This year he will finish his studies for the Doctorate. Plans are being made for a weekly half hour radio broadcast as well as a number of Revival services have been scheduled with The Blakley Singers in Ontario. He also plans some tours with Singers to Alberta and the Maritime Provinces as well as ministering in the United States in areas where they have become well known.

Pastor Blakley plans on having a very active Youth program in the church with a great deal of emphasis on music.

Council and staff salaries increased

Dysart et al Council agreed to give itself a small increase and raise the salaries of the municipality's administration staff as well.

The reeve of the municipality will now receive \$3,950, a year for his services up from \$3,600. This is an increase of almost 10 per cent.

The salary of the deputy reeve has gone from \$2,400 to \$2,650 an increase of slightly over 10 per cent and the council members will now receive \$2,400 up from

\$2,200 an increase of nine percent.

In the staff department the council has agreed to pay \$17,500 to the clerk, compared to \$16,500 last year, \$10,500 to the assistant clerk, compared to \$9,000 last year, \$10,500 to the planning supervisor compared to \$9,500 last year, \$15,500 to the roads superintendent compared to \$14,300 last year and \$12,800 to the assistant roads superintendent compared to \$11,600 last year.

Our mistake

In our Haliburton Winter Carnival supplement a section of Curry Motors Limited ad should have read as follows:

1975 GMC 1/2 Ton 6 cyl. std.
1975 CHEV 1/2 Ton V8, Std.
1974 FORD 1/2 Ton Loaded
1974 GMC 1/2 Ton V8 Auto
1974 CHEV CUSTOM V8, Auto
1974 FORD 1/2 Ton Std.
1973 GMC 1/2 Ton 6 cyl. std.

We regret any inconvenience caused by this error.

\$1,000 damage in truck accident

A single vehicle accident on Highway 35, south of Carnarvon resulted in \$1,000 damage to a truck driven by David McPhail, 36, of R.R. 1, Haliburton.

The accident took place Friday at 9:25 p.m. McPhail has been charged with impaired driving.

A two vehicle accident at 1:20 p.m. Friday resulted in a total of \$800, damage.

The accident took place on County Road 2.

There were \$500 damage to a car driven by Joseph Wright, 45, of R.R. 1, Minden and \$300 damage to a pick-up truck driven by Bryan Neville, 30, of Haliburton.

Airport land buys reach a stalemate

Proceedings that have been continuing since 1968 with regard to expropriated

land for part of the Stanhope airport property has reached a stalemate, Stanhope council learned Feb. 9.

Council has been making legal application for a full title to 26 acres of land from 67 heirs of the estate of which the property was once a part.

The land now belongs to the municipality, but only by a deed of expropriation. Reeve Sinclair Nesbitt said at the Feb. 9 meeting that council wanted to get the title and deed to the property settled, but that it looks as if it might not get finished, although "it's all legal" as it stands.

Laverne Sisson had been asked by the court to act as a representative of the estate but declined the appointment, a letter from legal council informed the Stanhope meeting. He has requested time to find legal counsel of his own, the letter stated.

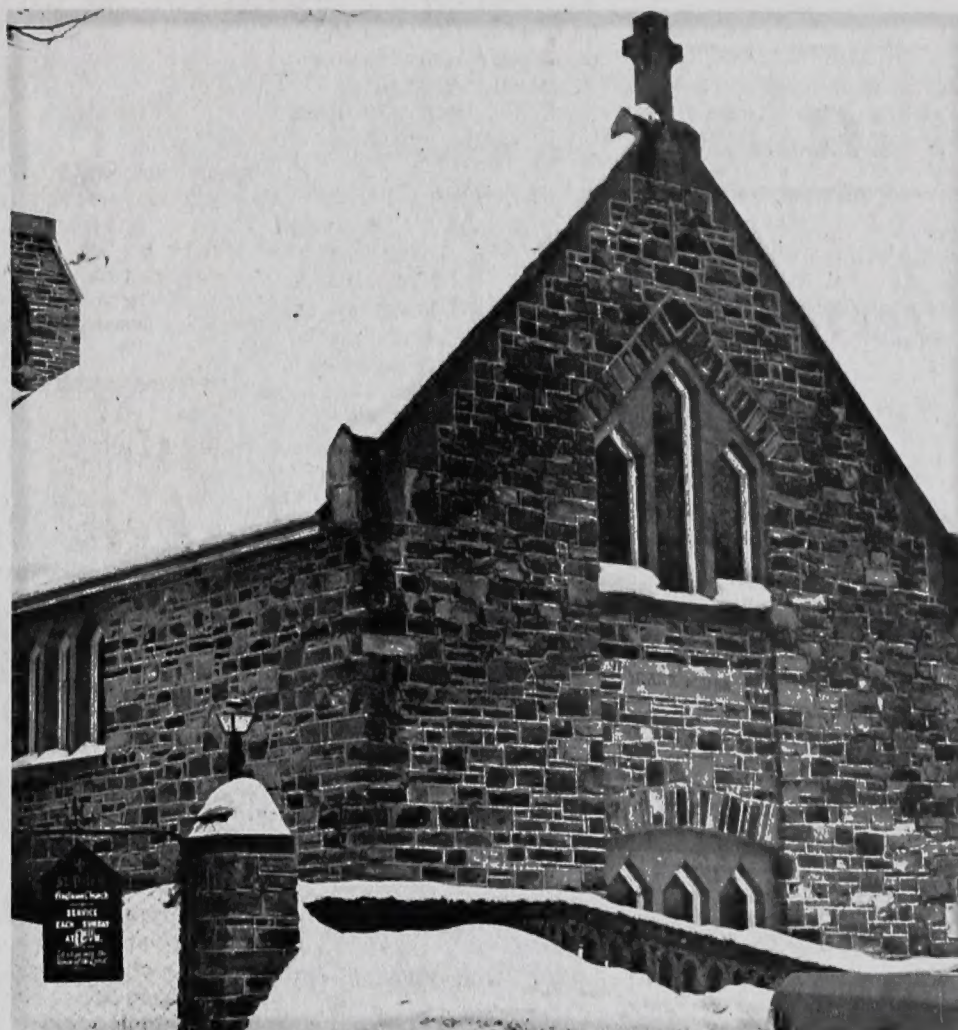

Mr. Nesbitt said that he didn't know that Mr. Sisson thought he might need legal counsel, and that it would now be up to the heirs of the estate to decide on a representative before the matter would again proceed.

Turn down ski jump application

An application for permission to build a water ski jump in Kushog Lake was turned down at Stanhope council last Wednesday.

Councillor John Tomlinson noted that he had already heard complaints on the proposal, and that he didn't think ski jumps should be allowed on any lake, "in the township or any other."

Council agreed that these jumps were usually dangerous and a source of complaints from others on the lake. Council passed a resolution to say that water ski slalom courses would be prohibited in Stanhope.

The stonework of St. Peter's Anglican Church, Maple Lake, is in need of repointing. The church was constructed in 1905, and the congregation last Wednesday sent John Barclay of Maple Lake to Stanhope Council to ask how the church could be designated as an historic site, so that it can be maintained in its original state. Council was all in favour of promoting the idea, and inquiries are to go ahead.

Over 20 feet in span Examining Stanhope bridges

Stanhope council last Wednesday voted to appoint Totten Sims and Hubicki as consultants to examine the bridges that are over 20 feet in span on township roads as a part of the program proposed to each municipality by the Ministry of Transportation and Communications.

The MTC has notified municipal councils that they will subsidize the bridge survey. Stanhope Council decided to ask Totten, Sims and Hubicki to do the survey since that company has already completed a roads need survey for the township and would probably be able to do the bridge survey efficiently and for a good price.

Council was concerned about the Bucksides Road bridge, which is not a full 20 feet in span but which, they felt, should also be examined. They will ask Totten, Sims and Hubicki to examine that bridge and send

the bill to the township. They also asked that more information be gathered on the issue of who owns some of the bridges in the township that are part of the Trent waterways.

There are three bridges that will come under the MTC study.

Salaries up in 1977 for Stanhope Council

Stanhope council last week voted to increase the salaries to each council member by \$250., raised the hourly wage of municipal employees by .35 per hour and gave salaried employees an increase of approximately eight per cent.

The salary increases for council means that the reeve will be paid \$2,800., deputy reeve, \$2,450, and councillors, \$2,000, for 1977. This is the first increase in salary for Stanhope council since figures of \$2,550, for reeve, \$2,200, for deputy reeve and \$1,750, for councillors were set in 1974.

Councillor John Tomlinson voted against the increase, saying that he didn't think there should be an increase "in these days" and that figures "should have been kept as they were last year."

Reeve Sinclair Nesbitt noted that Stanhope is in the third highest position in the county with regard to assessment, and do the amount of work of a municipality in that bracket. He said that the council was worth the increase. They are handling one half again as much work as they had last year, he noted.

The 1977 figures set this week mean an increase of 9.8 per cent for the reeve

and approximately 11.4 per cent over last year for the deputy reeve and councillors.

Council authorized salaries of \$9,000 for the road superintendent, \$8,500 for the by-law enforcement officer, \$7,100 for the assistant clerk treasurer and \$15,000 for the clerk treasurer, all approximately increases of eight per cent, rounded to the nearest hundred, according to clerk treasurer Gerald Bain.

The 35 cent an hour increase for hourly employees means an increase of slightly more than eight per cent for workers at the bottom of the hourly wage scale.

Three year probation period

Donald Conrad Reil of Toronto was put on probation for a three year period at the court in Minden, Feb. 1 on a count of mischief incurred October 30.

One of the conditions of the probation is that he pay restitution of \$3,000, to Gary Webster, whose car he damaged in Glamorgan township.

Councillor Len Lonsberry said that perhaps the council will just have to be careful when talking to the subdividers and make sure that the whole thing is not approved at one time.

Reeve Booth said that the council should file the information but not stop the work.

Councillor is concerned about Minden Sewers

Anson, Hindon and Minden's sewage disposal system is expected to be able to handle all development in the village of Minden until 1996 but councillor Lyle McKnight is afraid that the extra could be used up in a couple of subdivisions.

The council also received a letter from the Ministry of Environment which expressed concern over two subdivisions which are being planned for Minden.

Mr. McKnight said that the Windover and Hewitt subdivisions might use up the 1996 capacity of the plant even though the lots may not be all sold for the next 20 years.

Reeve Reg. Booth said he is not anxious to change the plans. "I realize we should plan for the future but everytime we plan we hold it up," he said.

Councillor McKnight warned that the municipality

cannot tie itself up to the two developments and keep other people from hooking up.

Councillor Len Lonsberry said that perhaps the council will just have to be careful when talking to the subdividers and make sure that the whole thing is not approved at one time.

Reeve Booth said that the council should file the information but not stop the work.

Stanhope considers procedural bylaw

Stanhope Council Feb. 9 considered procedural bylaw to be passed to control council arrangements.

A main reason for the decision to pass this bylaw is the need to set a time limit on those delegations that are to come to council a short time before the meeting.

Stanhope clerk-treasurer Gerald Bain had outlined in the bylaw that anyone wishing to be put on the agenda to speak to council must make an application to the clerk 48 hours ahead of

the meeting, and specify the amount of time they need for their business.

Councillor Napier Simpson noted that Mr. Bain probably needed even more time to plan and circulate the agenda, he suggested that the bylaw should state that anyone wishing to come to council should have to notify the clerk by the end of the week before the Wednesday council meeting.

Council members are to receive copies of the bylaw before it will be passed at council.

Hail, hail the gang will all be here

Hail, Hail the gang will all be here for the 1977 Haliburton Winter Carnival which gets underway this coming Friday afternoon and will continue on into late Sunday afternoon.

This years Carnival chairman Mike Stinson along with all the other Rotary members are to be congratulated on the splendid program they have lined up for the big weekend ahead. Special thanks also to the local merchants who have really come through with the financial aid that it takes to operate a carnival of this size. Thanks a million. Lets also not forget to thank all those people from the community who will be pitching in to make this carnival a success.

In an effort to make this Winter Carnival a success we just ask two things. Be sure to have a float in the parade and try to attend as many attractions as you can, and don't hesitate to jump in and help if you are needed.

Beginning this Friday morning people from all sections of Ontario will be making their way toward Haliburton. Why not join them and be here when the hoop and excitement begins. In other words it's where the action will be.

After looking over the great program that has been lined up we can only say that Haliburton is the place to be this weekend.

This will mark the ninth year of the Haliburton Winter Carnival and we are looking forward to seeing you all right here in Haliburton, the Hub of the Highlands.

Justify raises

Dysart et al Council this week became part of the county wide trend in setting its own salaries by giving themselves a raise.

A number of items have to be considered by a council when setting their own salaries, the first is the amount of money collected in taxes.

Dysart leads the way in the county in that department, by almost double over the next largest community.

The council, although probably not intentionally, must consider how far off an election is. In this case as in all others in the municipality it is almost two years away.

The third, and most important, is that the council must consider the percentage of administration costs compared to total revenue.

We would think that Dysart Council has fulfilled its role in regards to salaries, with the thought in mind that the increases are low and that the council, deputy reeve and reeve spend a great deal of time working for us, time they could be spending working for themselves.

Successful tournament

Despite a few minor problems and a couple of delays and set backs the Carpentier-Niemann Pee Wee Hockey Tournament, played over the weekend at the Dysart Community Centre would have to be called a success.

Large crowds attended the three day event which saw a total of 22 teams competing in a tournament which featured three divisions.

Among the crowd pleasers were the teams in the A-A minor division, with some of the best 11-year-old hockey players in Ontario.

The regular tournament, with 16 teams, proved to be just as entertaining though. These clubs battled it out for three days for the Alcide Carpentier and Fred Niemann Memorial Trophies in a fashion befitting any organization.

The tournament itself, as with the atom tournament, was well organized and provided local and out of town hockey fans with a great deal of excitement.

The sponsors of the tournament, the Haliburton Minor Hockey Association and the Lake Kashagawigamog Tourist Association deserve a great deal of praise for the fine job they did in bringing entertaining hockey to Haliburton.

Pic of the Past

Our Pic of the Past this week shows logs being loaded onto the truck of Cecil Stamp and Sons West Guilford at the Hay and Company mill at Kennisis Lake. The photo taken in 1949 shows four of the men loading the truck. These men are from left to right top left Val Barry, top right Cecil Stamp, bottom left is Clinton Cameron and bottom right is Bill Peck. Our thanks to Brant Stamp for submitting this most interesting photo.

Haliburton Highlights

BY CREIGHTON FEIR

Well that big time of the year has finally arrived. This weekend the Annual Haliburton Rotary Winter Carnival will be in full swing with a wide variety of entertainment and attractions. It promises to be one of the best carnivals yet, and we especially welcome each and every visitor to come to Haliburton and join the fun.

The Brotherhood of Anglican Churchmen will be holding their monthly communion and breakfast at St. George's Anglican Church at Haliburton this coming Sunday, February 20th, at 8:00 a.m. The speaker will be Graeme Wallace a Grade 13 student at the Haliburton Highlands Secondary School. He will be giving his testimony on how he came to meet the Lord. We are looking for a good turnout of members and seeing that it's Carnival weekend, we will welcome all carnival visitors.

Mr. Berkeley Feir former publisher of the Haliburton County Echo is at present a patient at St. Joseph's Hospital in Peterborough. We wish him a speedy recovery and hope that he will soon be home.

We are writing this column on Friday morning and for a change we have finally come into a warm weather period. Although we welcome the change in the weather may we remind you to have your roofs shovelled. A special warning to all our cottage owners, that if you have not already had your cottage roof shovelled, please get it done right away. If you don't, you could run into trouble.

We have just received word that Paulette and Mike Blake, former owners of Mike's Milk at Haliburton, who now are residing in Sudbury, are at present vacationing in Acapulco.

Let's not forget that Snowerma is on for Sunday, March 6th. Get your pledges in with all proceeds going to aid Crippled Children.

A stag party for John Little of Haliburton was held at the Royal Canadian Legion Hall in Haliburton on Friday night, February 4th. John is getting married on February 26th.

One of the main features of this years Haliburton Winter Carnival, will be the parade, and we urge everyone right now to start working on their floats. We would like to see a larger number of entries so that we will have a giant parade.

Mystery Train will be the featured entertainment at Paradise Lodge Hotel this coming Friday and Saturday which will be Carnival weekend.

Mrs. Dorothy Bain accompanied by Mrs. Sheila Lake of Cobocok and Mrs. Madeline Woods of Cardiff attended the Avon Team Leaders & Managers Rally at the Regency Hyatt Hotel on Thursday in Toronto.

Allan Bagg, chairman of the Haliburton Winter Carnival Parade, which will be held this Saturday informs us that 1st prize \$50.00 for the best parade entry, 2nd prize \$25.00 best parade entry, \$25.00 most humorous entry.

So in closing our column this week we go back to that old song "Whose sorry now", You will be the one that will be sorry if you miss the Haliburton Winter Carnival.

Editor's notebook

BY JIM BADGLEY

A resolution brought before Dysart et al Council this week from the Town of Ancaster, asking that municipal taxes be tax exempt should give everyone, at least all of Dysart Council a little food for thought.

Ancaster Council brought up an interesting point, that being although contributions to political parties are tax deductible people paying residential taxes get to fork over twice on the same money, once for local taxes and once when they earn the money in the form of income tax.

After thinking over the situation for some time I realize that it isn't as cut and dry as Ancaster Council puts it.

First of all some of our income taxes are coming back to the municipality in the form of provincial and federal grants. These grants in turn cut down the amount of residential taxes we pay.

The Town of Ancaster is a place I have been on a few occasions and first of all I realize that their

property taxes are probably fairly high, mainly because that area is somewhat of a bedroom community for Hamilton.

This means there are a large number of residential taxpayers and a much lesser number of commercial and industrial taxpayers.

In Dysart we have a similar problem, when the number of summer residents is taken into consideration. But we also don't have the high servicing costs that an area like Ancaster has and because of that have less property tax to pay.

Ancaster, in many ways, has just cause to be concerned about this double taxation, but other communities, and by that I mean many other communities, do not.

Without all of the income tax paid by the taxpayers of Ontario, Dysart and many other communities could not survive, and likewise without the property taxes none of our governments could survive.

News from Extendicare

BY CHARLES PLEWMAN

"It's not the things you do, it's the things
you leave undone"

St. Valentine's Day has come and gone! We have lots of Valentines over here. True, it is 60 to 75 years since as young girls or ladies they wowed the men and boys of this district. On Monday Night we held our St. Valentine's Party. I can't give you the details as we have already gone to press, but you can rest assured it was a good one. Most special days stand for something in particular - not so St. Valentine's Day. Left to themselves most people would carry on as they see fit and that happens to be a great variety of ways. Out of the mist of antiquity comes the story that St. Valentine was a Priest of Rome, who was martyred for being a Christian on February the 14th, 270 A.D. Since then somewhere, somehow, the idea of "love" for the fair sex got into the picture with the "Valentine", receiving presents or cards. Some of them were expected, others came as a great surprise, especially when the boy was a rather shy one and could not put into words what the Valentine card said for him.

On the whole the good wishes prevailed. People looked upon the day as a time to express their affections. A small number looked upon it as a day to express their dislikes. For a few cents they could buy a bunch of coloured Valentines that, with on full swoop, would tell them all where they got off. The Government plans to set a day aside in February as a holiday. Possibly, the "St. Valentine Spirit" at its best will take over.

We all must have some of the GAMBLING instinct. Tuesday, the 8th Bingo Game was well attended.

On Wednesday we played and did exercises. Too bad some people think playing games is for the kids. Currah and Anderson headed things up.

On Thursday, believe it or not, we had our first Euchre Party. We would like a few volunteers to drop in for Bridge.

The Rev. Don Nicholson led our Devotional Period on Friday. His theme was "God Cares". He said, "that God knew each one of us better than anyone else and that He cared for us as individuals despite our weaknesses."

PERSONALS

No story about Extendicare would make sense without referring to those who make it a good place to live - here are a few who add warmth and interest to our lives:-

Alice Hartle with feeding those who require assistance.

Mrs. Dorothy Davidson in every way volunteers. Ezra Lott becoming more an integral part of the place and who also plays the part of our mailman.

Ray Smith who helps the laundry and delivers the weekly papers.

Elgin Douglas what he does in his own way.

Mrs. Myrtle Pritchard with her room mate, Clara Sabin.

Stuart Belisle with everybody when he is good - but not when he falls from grace.

Stewart Roberts for his assistance to his wife.

Mary Currah, Dr. Anderson and Jake Gill are consistently good and in danger of being taken for granted.

The Rev. Don Nicholson tells us that he knows of no other Nursing Home that has made so much progress since its opening as our Extendicare. What is more, he has been around and seen them for himself.

We are glad to see Kel Andison's friendly face at our Bingo Games once again - we missed you!

We regret to report that our old friend Sandy Gilbert passed away on Friday at the Haliburton Red Cross Hospital. We send our deepest sympathy to his loved ones.

We are sorry to say that Berkeley Feir is in hospital in Peterborough where he recently had an operation. We understand he is making good progress.

Our recent arrival is Mrs. Mabel Stone from Minden.

The Residents and Staff at Extendicare/Haliburton cordially invite you to attend our FIRST "Birthday Party" on March 1st, 1977, at 7:00 p.m. to 10:00 p.m. Everyone welcome. There will be entertainment and refreshments. Come and help us celebrate our first year.

"Today is Mine. And so you see I have the Past and the Yet to be."

Ella Wheeler Wilcox

Report from Ottawa

by MP William Scott

During question period in the House of Commons on January 25th I asked the Minister of Manpower and Immigration, the Honourable Bud Cullen, if he would consider extending the deadline for applications for grants under the new Canada Works program, and the Young Canada Works program.

The Minister said that he would take the request under consideration, and I learned later that he advised the chief of the programs to use discretion and flexibility in judging applications, especially in cases where applications were incomplete, and the delay in obtaining additional information would run the application past the deadline.

On January 8th, the Minister announced that the deadline for applications for Canada Works had been extended to February 11th and that the deadline for Young Canada Works had been extended to February 18th.

Needless to say, I was very pleased to learn this, and it will mean that some very worthwhile projects will get consideration that might not have met the original deadline.

My reasons for requesting the extension were, first, that the programs are new and would naturally take some time to get into gear, and second, that it had come to my attention that there was a great deal of confusion in some people's minds about the way the new programs would work.

The Department has allocated \$146,000 to the riding of Victoria-Haliburton for Phase One of the programs.

This and That

BY JENNIFER WOODS

Recently, I received a parcel in the mail from my very close friend Angela. In it was a homemade candle, some delicious fruit cake, and many old family recipes. I can't share the cake and candle with you, but here are four of the recipes:

EMPIRE BISCUITS (an old Scottish recipe)
 1/2 lb. margarine 1 tsp. baking powder
 1/2 cup white sugar 1 tsp. vanilla
 1 egg 1/2 cup raspberry jam
 3 cups flour (white) 1/2 cup icing sugar mixed with milk

Cream margarine. Add sugar and egg and beat until light. Add vanilla. Gradually add dry ingredients. Roll about 1/4 inch thick on floured board and cut with cookie cutters. Bake at 325 for 10 minutes. Sandwich with jam, ice with icing sugar and milk (not too runny or too thick), and top with cherry.

Angela usually makes a double batch because they go so fast - a double recipe makes 4 dozen.

STUFFED MUSHROOM FABRIZIO

20 med. mushrooms 1 tbsp. butter or marg
 1/2 cup bread crumbs 1 tsp. oil
 1/2 c. grate parm. cheese 1 tsp. salt
 3 cloves garlic, minced 1/2 tsp. pepper
 1/2 c. parsley, chopped oil for pan
 Remove stems from mushrooms. Chop stems. In pan saute garlic and parsley (dried if fresh is not available) in butter and oil for 5 minutes. Mix in stems, bread crumbs, parmesan cheese, salt and pepper. Stuff mushroom cups with mixture. Arrange mushrooms in well oiled pan - 350 for 20 minutes.

These are a nice savory before a meal with crackers, or with your meal as a vegetable - a very tasty treat!

CARROT BREAD

4 eggs 1 1/2 tsp. baking soda
 2 c. brown sugar 1/4 tsp. salt
 1 1/4 c. corn oil 2 tsp. cinnamon
 3 c. flour (white) 2 to 3 c. shredded carrot
 2 tsp. baking powder 1 c. nuts and/or raisins
 Blend together eggs, sugar and oil. Sift flour. Add baking powder, soda, salt, cinnamon and salt; and add to above mixture. Fold in carrots, nuts, raisins. Turn into greased loaf pans. 350 for one hour. Only fill pans 1/2 to 3/4 full - makes 2 loaves.

WHEAT GERM COOKIES

1/2 c. margarine 1/4 c. flour
 1/2 c. brown sugar (packed) 1 tsp. salt
 1/2 c. granulated sugar 1/2 tsp. salt
 1 egg (beaten) 1/4 c. coconut
 1/4 tsp. vanilla 1/4 c. quick oats
 1/4 c. wheat germ 1/2 c. chocolate chips
 Beat margarine with sugars until blended. Add beaten eggs with vanilla. Mix wheat germ with remaining ingredients. Stir into above mixture. Place little dough cookies onto a greased baking sheet, about 6" apart. Press down lightly. Bake at 350 for 15 to 17 minutes, or until brown.

I hope you will enjoy these recipes as I do.

Jennifer Woods

H.H.S.S. News

BY BECKY DAVIDSON

All students received their report cards on Friday, February 11. Parents Night was held on Tuesday, February 15.

On Thursday, February 10, our boys' basketball teams hosted Lindsay C.B.S. Unfortunately, Haliburton was defeated in all three games. Our high scorers were: Midgets; Tim Davies - 14 points, Steve Bishop - 12 points. Juniors; Steve Creelman - 6 points, and Seniors; Dick Stouffer - 20 points and Will Tyler - 11 points.

For the 50-Mile Club, the end of the running month results were Miss Keohler - 50 miles, Mr. Lerpiniere - 41 miles, and Mr. Brohman and Mr. Oakley both with 31 miles. This month's results so far are Mr. Lerpiniere - 4 miles and Becky Davidson - 3 miles.

Nominations have been made for our Carnival Queen Candidates. The student body will be able to view their candidates during a dance held in the afternoon of Wednesday, February 16 before voting the following morning. The Carnival Queen will be announced at the Carnival Dance on Friday, February 18, featuring the musical group, "Cirkus".

The Students' Council has planned to have five more dances before the end of this year. This will mean a student dance every two or three weeks.

Congratulations go out to Leslie and Gladys Haas of Tory Hill, on the occasion of their 49th Wedding Anniversary, on Feb. 4, 1977.

On Feb. 8, 1977, the Wednesday night Euchre, at Tory Hill was well attended. Prizes for the night went to Hubert Dunford - High Mens - Travel Prize Ida Holmes - Lone Hands - Marjorie Bowen - Low Score - Iram Dunford.

The Wilberforce Minor Hockey Association will be hosting an invitational hockey tournament on Feb. 26th, 27th, 1977. Teams representing the Scarborough Sabres in the Pee Wee, Atom, Bantam and Midget Juvenile divisions will be playing. A return tournament will be hosted by the Scarborough Sabres sometime in April, at which time Wilberforce will be their guests.

John and Shirley Finlay were the victims of a fire which destroyed their home recently. Any of their friends who wish to join in helping John and Shirley may do so at the "Little Green House" at the Bank of Nova Scotia in Wilberforce.

Dan and Arlene Mathews wish to thank all their customers for their patience while the Wilberforce Laundromat was closed due to frozen water lines.

Maple Lake News

by Ada Gibbs

Mrs. Vera Cowen of Minden was a welcome guest at the Johnson home last Sunday.

Mrs. Ethel Davis has gone to visit with her daughter Mrs. Cliff Tivdale of Richmond Hill for a couple of weeks. This is a well deserved holiday for Mrs. Davis after her winter's knitting for the church sales.

The February meeting at St. Peter's A.C.W. was held at the home of one of the members, Miss Ada Gibbs, Roll call was answered with a donation for Infants' supplies or for Mothers bags, and what an abundance of useful and much needed articles were received. As a result of this meeting 6 boxes, containing heavy quilts, knitted goods of all kinds, Infants wear, Mother's bags and requirements to fill them were packed, and our Feb. shipment has already gone to Toronto, through the kindness of our worthy president Mrs. John Barclay.

The first meeting at the Thos. A. Welch Memorial Library Committee of Stanhope Twp. was held Feb. 10, 1977 in the Library at 7:30 p.m. New officers were installed or 1976 officers re-elected. This was followed by a busy evening of unfinished and new business being discussed, and further plans made to complete the furnishings of the library.

It would appear that the Library Committee will have another busy and rewarding season.

On January 19th, 1977 the Stanhope Recreation Committee was formed, Memb-

ers being - Dorothy Kinsman - Chairman, Janice Barnes - Secretary, Alex Stephenson, Ray Woodward and John Barclay.

Figure skating lessons have already started at the Leslie Frost Resource Centre on Hwy. 35, north of Halls Lake, under the direction and guidance of Janice Barnes. These classes are held on Saturdays from 2 - 4 p.m. All children are welcome. The transportation problem, to date, has been ably looked after by parents. If interested in further

information contact Janice Barnes at 489-2941.

Pat and Lou Kyte were enjoying their cottage and the snowmobiling again last weekend. As guests this trip Brian Girardelle, Gwen, Ann and Grant Barrow accompanied the Kytes for a fun weekend.

There was considerable activity around the Elmer Downs cottage last Sunday.

A happy birthday to all who will celebrate the occasion on Valentine's Day. This greeting may arrive a bit late, due to the date of

publication of our paper, but especially to the St. Peter's Parish folk say Birthday Greetings to their two church wardens, John Barclay and Percy Drysdale who chose to have birthdays the same day.

Mr. and Mrs. Jack Yate-man had as a guest for a few days, a life-long friend of Betty's Mrs. May Rykman of the Mississauga area.

On Sunday last, at the home of Mr. and Mrs. Harry Davis, a quiet, but happy family birthday celebration was held in honour of Mrs.

Gertrude Dawson. Belated greetings extended.

We are happy to welcome home Mr. and Mrs. D. Adamson, who have been enjoying a month in sunny Hawaii. While there I understand, they did some island hopping, visiting the four larger main islands, Hawaii, Kauai, Maui and of course Oahu the centre of all activity. How they must have hated to return to our area with its deep snow and zero temperatures. Never mind Iris, 'twill soon be spring!

HALIBURTON IGA MARKET

The Peterborough team's mascot watches over the bench in one of the club's games. Peterborough played in the A-A minor division of the tournament which was won by Mississauga.

Stouffville and Mississauga take pee wee tourney

Mississauga took top honours in the A-A minor division of the Alcide Carpentier Pee Wee tournament by downing Globe 4-0 in the finals while Stouffville took the grand championship with a 9-1 win over Willowdale in the Carpentier division.

Oakville downed Oshawa 7-0 to win the grand consolation championship and the Fred Neimann Memorial Trophy.

The A-A division was sponsored by the Haliburton Hockey Haven and the A and B divisions were under the direction of the Lake Kashagawigamog Tourist Association and the Haliburton Minor Hockey Association.

Stouffville reached the finals by downing Kingston 3-1 in the first game, winning 7-0 over Sutton in the second round, edging Huntsville 5-4 in the A

division championship before defeating Willowdale.

Willowdale reached the finals by winning 7-0 over Oshawa, 8-0 over Grand Ravine and 3-2 over Hillcrest.

Oakville made it to the consolation finals after losing to Sutton 5-4, edging Kingston Township 2-1 and shutting out Brooklyn-Whitby, a 4-3 win over Minden and a 5-2 win over Haliburton.

In the A-A division Mississauga won the first round 2-1 over Thornhill, won 2-1 again over Don Mills and then added another 2-1 win over Toronto Marlboros.

Globe lost to Don Mills 6-1, lost to Thornhill 3-2 and downed Peterborough 5-0 to reach the finals.

Thornhill earned the right to play in the final game but had to leave Haliburton early because of a playoff commitment.

Mississauga wins A-A tournament

Toronto Globe were just no match for Mississauga in the championship final of the Haliburton Hockey Haven division for A-A minor teams in the Alcide Carpentier Memorial Pee Wee Hockey Tournament held over the weekend at the Dysart Arena.

Mississauga simply outskated the Globe club in coming up with a 4-0 win.

Mississauga got three first period goals, Rich Forest with two, one from Gord Bourque and the other from Gord Cruikshank and Alan McKenzie and Don Zoybk from Dave Dulmage.

The final goal was scored by Cruikshank from Mike Aven and Alan McKenzie.

Awards given to tournament MVP's

Willowdale and Stouffville players dominated the selection of most valuable players in the Alcide Carpentier Memorial Pee Wee Tournament held at the Dysart Community Centre over the weekend.

Most valuable goalie in the A division went to Huntsville's Doug Wagg but the top forward and defenseman were both from

Stouffville. Kevin Bartley took the forward award and David Mehaffey was the best defenseman.

In the B division Willowdale's Stan Chudziak was named the best goalie while team mate Derrick Blane was selected best defenseman.

Top forward in that division went to Oshawa's John Picard.

Stouffville wins over Willowdale

Willowdale proved to be no match for Stouffville in the Grand Championship game for the Alcide Carpentier Memorial Trophy and it was a similar case for Oshawa against Oakville in the Consolation Grand Championship for the Fred Neimann Trophy.

Stouffville downed Willowdale 9-1 while Oakville whitewashed Oshawa 7-0.

Willowdale started fast with a goal at the 36 second mark of the final game when Frank Marchese scored from Peter Poulakis and Grant Gaupholm but it would be the last time they would get on the scoresheet.

Stouffville picked up four goals in the first period, four more in the second and one in the final frame.

Scoring for Stouffville

were Barry Smith with three, one unassisted, one from Norm McKenzie and David Mehaffey and from Kevin Bartley; Bartley from Mehaffey and McKenzie; Barry Greenshields from Greg Redshaw; Scott Frisby, unassisted; Redshaw from McKenzie and Tim Yeomans; Peter Sinclair unassisted and Mark Murphy from Yeomans and McKenzie.

Oakville got one goal in the first period, two in the second and four more in the third to come up with their win over Oshawa.

Scoring for Oakville were Mike Rowe unassisted, Joey Muehl from John Turner, Turner unassisted, Mike Prescott from Tom Richards, Paul Chivers unassisted, Richards from Mike Penny and Prescott from Richards.

Haliburton's Pee Wee team

Minden club in tournament

Oshawa club puts local teams out

A pee wee team from Oshawa proved to be the downfall of both Haliburton County entries in the Alcide Carpentier Memorial Tournament played over the weekend at the Dysart Arena.

Minden dropped out at the hands of Oshawa in a close 4-3 game in the second round of the consolation division and Haliburton fell to the Motor City squad 5-2 in the B division consolation championship.

Minden lost its first game to Grand Ravine 4-0.

In the game against Oshawa, Minden got on the scoresheet first when Eldon Bull scored from Jim Pettes at the 55 second mark of the first period.

Oshawa came back at 7:48 of the period to knot the count. Minden's Andrew Shapiera put Minden back in the lead at 3:28 of the second period. Assists went to Tim Wood and Pettes.

Oshawa once again tied the score to send the clubs to the dressing room, tied 2-2.

Oshawa came out flying in the final frame counting twice before the three minute mark but a goal by Minden's Bruce White made the score close again just nine seconds later.

The Haliburton pee wees gave up five straight goals including four in the third period in suffering a first round loss to Georgetown.

Georgetown won the game 6-4. Georgetown scored the

only goal of the first period but Haliburton came out flying in the second frame scoring four straight goals.

Scoring for Haliburton were Steve Smith with two unassisted goals, David Nicholls, also unassisted and Dean Curry from Norman Barry.

The third period goals proved to be enough to help Haliburton by Bowmanville in the second round of the tournament with a 5-3 win.

Haliburton opened the scoring at 5:17 of the first period when Nicholls scored from Curry and Barry.

The lead was short lived though with Bowmanville coming back 13 seconds later to tie the game.

Less than one minute later Haliburton again went into the lead when Curry combined with Anthony Vanlieshout and Nicholls.

Bowmanville counted the only score in the second period.

Haliburton came out flying in the third and scored the three times before Bowmanville was able to get on the scoresheet again.

Counting for Haliburton were Vanlieshout with two, one from Nicholls and the other unassisted and Fred Roberts.

Oshawa got off to a 5-1 lead before Haliburton was able to get a second point on the scoreboard in the B division consolation finals.

Scoring for Haliburton were Steve McNaull from Curry and Barry from Tim Hockley and Nicholls.

County sports

By Jim Badgley

The Lake Kashagawigamog Pee Wee Hockey Tournament was probably even a bigger success than the organizers anticipated.

The tournament had a lot of highlights, probably the tops being the Haliburton Hockey Haven division which featured AA minor teams, mostly from the Toronto area.

These clubs, all finely coached, possessed and showed the fans some of the finest teamwork you will ever see in any arena. With that in mind it cannot be forgotten that these youngsters are only 11-years-old.

The regular tournament provided just as much excitement though. There was a great deal of class shown by all of the teams and their management at the tournament.

The pee wee tournament, like the atom tournament held a couple of weeks ago, showed us again what hard work and dedication among a group of people can do. The organizers of the tournament put together a fine show, well organized and entertaining.

After seeing a great deal of both tournaments I will admit that I have seldom seen any better than the two right here in Haliburton.

The hockey was excellent, the officiating was good, and by all outward appearances anyway, the youngsters seemed to be having a good time.

ARENA REPAIRS

The repairs to the Dysart Arena are complete and now plans are being made to make some improvements to the building. One of the first improvements has arrived already, a new Zamboni, to clean and flood the ice.

The Zamboni is similar to the one we see on the hockey games from Maple Leaf Gardens.

Among the other improvements to the arena fans can expect to see sometime in the future, will be heating for the seating area. This, I am told, will be an overhead variety. The seats themselves will be improved and for those of you afraid of getting hit with the puck, while watching a game, you will be glad to know that glass will be installed around the boards.

The money raising for both the repairs and the improvements is being handled by the Haliburton Rotary Club.

Snowmobiling Experience for St. Catharines Kids

On Thursday of last week a group of HCSA snowmobilers gathered at the Leslie M. Frost Natural Resources Centre, formerly known as the Dorset Forestry School, to provide rides and instruction for a group of sixty children attending classes there. The kids, all in their early teens and from a school at St. Catharines, Ontario, enjoyed an exciting and informative afternoon.

The class was broken into three groups of twenty with each group accompanied by one or more of their teachers. While the first group were being treated to a snowmobile ride the second and third were attending lectures. Thus by rotating the schedule all sixty were provided an opportunity for valuable information and instruction as well as an exciting snowmobile safari.

Two lecturers chosen from the snowmobile club zeroed in on the pleasures of recreational family snowmobiling and on snowmobile regulations and safety practices. A fully experienced and successful trapper from a nearby trapping zone demonstrated the numerous transportation methods used in his work including the versatile snowmobile. His slide presentation was extremely interesting.

For an impromptu and totally un-rehearsed event the day came off quite successfully. We look forward to more of the same.

Ladies

Lillian Gorveatt rolled both highs, single and triple in the Thursday Ladies Bowling League last week.

Her high single was 324 and she came out with a 734 triple.

Midgits lose 2-1, series now tied

The Haliburton Beaconbrook Midgits were riding high after a win last week in the first game of the club's best of five playoff series with Beaverton but the Lake Simcoe area club came into Haliburton last Thursday night and came out with a 2-1 win to even the series.

Haliburton struck first in the contest when Mike Scheffee combined with Bernie Nicholls and Dwight Sisson at 11:03 of the first period.

The two clubs played a scoreless second period, but Beaverton came out skating

in the third and scored two unanswered goals.

The first goal came at 3:53 John Meyers from Dave Gray and Brad Ware.

With only 4:55 remaining in the game Meyers gave Beaverton the win when he combined with Gray and Doug Watson.

Only seven penalties were called in the game with four going to Haliburton.

The midgits saw action last night in Beaverton and the two clubs return to Haliburton for a game slated for Thursday night at 8 p.m.

Huskies surprise Bobcaygeon

The Haliburton Huskies surprised the Bobcaygeon Ticats last Friday night and came up with a 9-8 overtime win right in Bobcaygeon.

A number of Huskie players came up with big efforts to help the club to the win.

Tim Oram lead the way scoring wise, picking up three goals and two assists. Tom Curry accounted for five points as well with two goals and three assists. Larry Stinson got four goals and three assists. Larry Stinson got four assists while Tim Bain scored twice and assisted on one other.

The club's leading scorer Joe Roberts scored twice, including the winner, and assisted on one other.

Haliburton struck first when Curry scored on a play from Bernie Nicholls and Oram at the 4:32 mark of the first period.

Bobcaygeon evened the count at 7:23 of the period

when Gerry Geary scored from Danny Byrne.

One minute later Bobcaygeon went into a 2-1 lead on a goal by Gary Ferguson with assists going to Kevin Van Alstyne and Harold Fitzpatrick.

Oram evened the count to end the second period when he connected on a play from Tom Curry and Nicholls at 14:22.

The second period was all Bobcaygeon's coming up with four goals, while the Huskies were shut-out.

The scoring display by Bobcaygeon started at the 4:19 mark of the period when Byrne took a pass from Steve Austin and Glen Oliver and put the puck behind Huskie netminder Randy Ellison.

The Ticats went into a 4-2 lead less than one minute later on a goal by Dave Pooley from Austin and Eric Lash.

Byrne game the home-

towners a three goal lead at 14:14 of the period when he scored from Wayne Pearn and Fitzpatrick.

A third goal by Byrne with just over one minute re-

maining in the period gave Bobcaygeon a 6-2 lead to take into the third frame. Assists went to Austin and Oliver.

Bantams winners in La Sarre P.Q.

The Haliburton Bantams travelled to La Sarre, P.Q. over the weekend and have returned home with the trophy as consolation champions in the La Sarre Bantam Tournament.

The bantams lost the first game of the tournament to move into the consolation division but then came up with two wins in a row to end up on top in that division.

In the second game of the tournament it was a comeback effort that advanced Haliburton to the finals.

The bantams were down 3-1 at one time against Ville Marie before coming back and tying the score, to send the game into a shoot out situation and Mark Prior ended up breaking the deadlock.

The final game was Haliburton all the way with the club coming up with a 4-0 win over La Sarre.

In the game against Ville Marie Haliburton struck first

Harding leads

combines

Danny Harding led the Tuesday night Combines Feb. 8 with a high triple of 632, with games of 230, 214 and 188. Bill Cowan was next, bowling 254, 210 and 167 for 631.

Marnie Bunn totalled 620 from 216, 217 and 197. She was tied with Lillian Gorveatt who totalled 620 with 208, 221 and 191.

Dave McMinlay bowled 227, 203 and 189 for 619. Mable Metcalfe 210, 226 and 185 for 616. Jack Yateman 209, 195 and 209 for 613. Pearl Foster 179, 185 and 245 for 609. Alex Stevenson 190, 223 and 192 for 605 and Bruce Medcalfe Sr. 215, 175 and 217 for 607.

High singles were scored by Harry Hobden with 222, Peggy Henderson with 212, Bob Patton with 212 and Gail Medcalfe who bowled 208.

see page 8

Tri-County Bantams win second game of series

The Haliburton Tri-county Bantams have all but locked up their round robin playoff series with Omamee and Little Britain.

The bantams came up with an 8-2 win over Omamee Sunday in a game played in Omamee giving them two straight wins.

The bantams opened the scoring at 1:39 of the first period when David Dodd scored from Paul Madden.

Omamee got back into the contest at 6:15 of the period but the tie was short lived. Wayne Maxwell scored from Rob Downie.

Haliburton scored only 40

seconds later and never looked back from that point.

Jamie McKay was credited with the marker, unassisted.

A goal at the 8:56 mark of the period gave Haliburton a two goal edge. Ken Espie picked up the goal from Alan Espie.

Omamee counted with only 27 seconds to play in the period to pull the home town club within one goal again.

Haliburton came out flying in the second period. Darren McInnes scored at the 21 second mark to give the club a two goal edge

again. McKay and Madden assisted on the play.

McKay counted for Haliburton at 8:11 of the second period to make the score 5-2. An assist went to McInnes.

A goal by Dodd with only 43 seconds to play in the middle frame widened the score even further with an assist going to Ken Espie.

Haliburton picked up two more goals in the final period. McInnes from Ken Espie with 2:39 remaining and McInnes unassisted 18 seconds later.

Only two penalties were called in the game with Haliburton picking up both of them.

when Oliver connected from Prins after only 56 seconds were gone in the period.

Curry evened the count for Haliburton at 6:32 of the period on a play from Stinson.

Roberts scored the winner

at 7:14 when he combined with Curry and Stinson.

A total of 37 penalties were called in the game with 19 going to Bobcaygeon including a match misconduct to Hugh Kimble for spearing.

Jets, Floozies off to good start

The Jets and the Floozies started out the last series in Wednesday Afternoon bowling in the right way by blanking the Hooly Hawks and Flyers. The Sooners and Fonzie's split 5-2.

Two lovely 800 triples were bowled this week, one by Wes Stata with 831, (312,300) and Linda Morrison with 81; (338, 273).

Bill Barber rolled 727 with 283 and 271. Ev Stata 711 with 251 and 243. Art Beatty 683 with 242 and 223 and Ev Griffin, 610 with 247.

High single games were bowled by Gerry Pinch with 236, Harry Henderson with 234, Shirley Hamilton, 221, Peggy Henderson 219, Loretta Henderson 206 and Phyllis MacDuff, 201.

Millie Beatty, Shirley Hamilton, Nancy Stinson and Sandy Barr were presented with the prizes that they won in the Carling O'Keefe "Classic", (210 and under) by the Bowlers' Association president Wes Stata.

CORPORATION OF THE TOWNSHIP OF STANHOPE

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE CORPORATION OF THE TOWNSHIP OF STANHOPE TO CLOSE THAT PORTION OF PART OF THE ORIGINAL ALLOWANCE FOR ROAD BETWEEN BROKEN LOT NUMBER 20 AND BROKEN LOT NUMBER 21 IN THE TENTH CONCESSION OF THE TOWNSHIP OF STANHOPE

NOTICE IS HEREBY GIVEN, pursuant to Chapter 284, Section 443 of the Municipal Act, that the Township Council of the Corporation of the Township of Stanhope proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, R.R. #1, Haliburton, Ontario on Wednesday, March 9, 1977 at 4 p.m., a by-law to close, stop up and convey the following:

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Stanhope, in the Provisional County of Haliburton, in the Province of Ontario, being composed of part of the original road allowance between Broken Lot Number 20 and Broken Lot Number 21 in the Tenth Concession of the said Township, more particularly described as follows:

PREMISING the Western Limit of said Lot 21 in the Tenth Concession to be on an astronomic course of North 20 degrees 51 minutes 40 seconds West and relating all bearings herein thereto;

COMMENCING at a point in the Western Limit of said Lot 21, distant 329.3 feet measured on a course North 20 degrees 51 minutes 40 seconds West thereon from the Southwesterly Angle of said Lot 21;

THENCE continuing on a course North 20 degrees 51 minutes 40 seconds West along the Western limit of said Lot 21, a distance of 470 feet to the intersection of the Western Limit of said Lot 21 with the inner limit of the road allowance along the shore of Little Hawk Lake;

THENCE in a general northwesterly direction following the said inner limit of the road allowance along the shore of Little Hawk Lake to the intersection of the said inner limit of the road allowance with the Eastern Limit of said Lot 20;

THENCE on a course South 20 degrees 51 minutes 40 seconds East along the Eastern Limit of said Lot 20 a distance of 500 feet more or less to a point in the Eastern Limit of said Lot 20, distant 332 feet measured on a course North 20 degrees 51 minutes 40 seconds West thereon from the Southeasterly Angle of said Lot 20;

THENCE North 71 degrees 29 minutes 00 seconds East, 66.05 feet to the POINT OF COMMENCEMENT.

THE PARCEL as herein described is shown outlined in red on a plan and field notes of survey dated January 16th, 1952, signed by Charles P. O'Dale, O.L.S. of record in the Ministry of Natural Resources, Ontario, a duplicate of which plan and field notes is attached to an forms part of this deed of land.

AND TAKE FURTHER NOTICE, that before passing the said By-Law at its meeting to be held at the time and place above mentioned, the Township Council of the Corporation of the Township of Stanhope, shall then and there hear in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said by-law and who applies to be heard.

DATED AT STANHOPE this 11th day of February, 1977.

Action filled day for car racing spectators in Minden

In Saturday's slush and snow, 31 entries from Ontario car clubs came to Minden to race on the Kinsmen's iced track, for a day full of action that was enjoyable for spectators and drivers alike.

The Kinsmen and Kinetics put in their usual amount of hard work and long hours to make the weekend a success. The Kinetics Saturday night Valentine Dance was barely over before Tom Prentice and his crew were cooking breakfast for 30 people who had come for the races.

When the day came to an end, Duncan Patterson of the Twin Lakes Motor Club stood at the top of the slushy class, and Tim Whitfield, first in class four, had also led the rubber to ice feature.

Second in the slushy class was Reimo Hasanen of the Maple Leaf Rally Club.

In the rubber to ice classes, determined according to engine location, and front or rear wheel drive, class two was taken by Bob Attrell from the British Automobile Racing Club, Ontario Central driving a Toyota with second place going to Vern Houghton of the Grand Valley Car Club in a Volvo.

Class three was headed by Bill Burch from B.A.R.C.O. C. in a Renault, followed by Brian Smetaniuk from the Peterborough Motor Sports Club, driving a Fiat.

Bill Lefeuve from the Credit Valley Car Club took second in class four driving a Volkswagen, following Tim Whitfield's first place VW.

A female competitor took first place in class five - Judy Ferchak of the Credit Valley Car Club behind the wheel of a mini. Second in class was Walt Smith of the MG Car Club, also driving a mini.

Sy Langerap, favoured to win the feature rubber to ice, was taken out of the race by an accident, but still had two laps on the second place car in his class, class six. Sy, from the Peterborough Motor Sports Club

drove a fiat, and was followed by Gerry Haley of the Quinty Auto Sports Club in the race with an Austin.

Tim Whitfield took the overall rubber to ice feature, pulling from third into first place around a pile up of the first two cars. The feature race, in the slush that grew deeper on the track as the day wore on, saw lots of spinning and ended with as many cars in the snow banks as on the track.

Bill Lefeuve from the C.V.C.C. in a VW took second in the rubber to ice feature with Bill Burch of B.A.R.C. in his Renault taking third.

In the consolation, the final race between those cars that failed to place in their classes, Richard Pell of B.A.R.C. placed first in an IZU. John Acket of the Peterborough Club came second driving a Renault, and Tom Hyland of Twin Lakes placed third in a Datsun.

After points for Sunday's races were in, organizers were able to calculate tentative standings for overall winners of the four weekend season of racing.

Walt Smith of the MG Car Club took first place in the Rubber to Ice overall, with 56 points, ahead of Bob Attrell of B.A.R.C. who totalled 52. A third place 50 point tie between Sy Langerap and Brian Smetaniuk, both of the Peterborough Motor Sports Club, will be broken when final counts are completed to put Sy in the lead. Tim Whitfield follows Brian with 49 points.

In slushy racing for the overall season, Duncan Patterson of the T.L.M.C. with 45 points, Reimo Hasanen of M.L.R.C. has 33 and Bill Lefeuve of the C.V.C.C. is third with 19.

Tim Whitfield leads class four, Brian Smetaniuk is at the head of class three, class two is led by Bob Attrell, class five by Walt Smith and class six by Sy Langerap.

At the presentation of awards, drivers were asked if there were any changes in the track that they would like to see for next year, when the Peterborough Motor Sports Club again hopes to host races in Minden. Participants had nothing but good things to say about the track and the efforts of the Minden Kinsmen.

Mistake

In an article in the Jan. 26 issue of The Echo it was stated that the Ministry of Transportation and Communications "is not going to subsidize" what will be an expensive change over in regards to road signs going metric.

A correction to that statement has been requested by the Ministry, which is not going to allow any additional subsidy money. The new signs will be purchased from the normal subsidy allocation of each municipality.

From the Chamber

BY BOB STINSON

Members of Chambers of Commerce across the country were saddened this week-end with news of the death of Jim Meakes who served as president of the Ontario Chamber of Commerce during the year of 1976. A former publisher of the Sudbury Star, Jim was a dedicated Chamber worker having served on the Sudbury board of Directors for 30 years, and as vice-president of the Canadian Chamber for various terms totalling 5 years. He was 60 years of age and died as a result of injuries sustained in a car accident on November 30. He will be missed by all of us who knew him.

Last week we listed the clubs and associations who had responded to our invitation to join the Chamber of Commerce. The column had no sooner gone to press when the Minden Kinsmen joined our ranks which now makes it unanimous for Kinsmen Clubs in the County -- or putting it another way, you could say that it is now 3 to 0 for Kinsmen over Rotary.

The Alcide Carpentier Memorial Tournament is over for another year and was once again a success. Whether or not you are a hockey fan you can't help but appreciate the tremendous economic impact these tournaments have on our Winter economy. No other single event brings as many new visitors to our county. This particular tournament filled all the available accommodation from Moores Falls to Hawk Lake and as far east as Wilberforce.

We have attempted to get some classification regarding the "Water Lot" policy of the Ministry of Natural Resources. It would now appear that the statements made at our Central Ontario meeting by Dave Thomas from the Ministry of Tourism were in connection with the policies of Central Ontario Rideau Trent Severn (C O R T S). This body, of course, has nothing to do with the Haliburton area other than the fact they draw their water from our systems. Therefore, the statement that the program here is in "limbo" is certainly incorrect, but it was a direct quotation from what was said and understood at that particular meeting.

We have assurance now from the Ministry of Natural Resources that the present system of leasing water lots to commercial property owners is being applied throughout areas in their jurisdiction in the same manner as here. You do have a choice of whether or not you wish to lease a water lot and it may or may not be to your advantage to do so. The only case that requires you to lease such a lot is if you have, or wish to have a dock, raft, or any such structure beyond the original high water mark. The cost is \$30.00 per year, per acre, for resort properties, and \$60.00 for marinas. There is an additional charge the first year, of \$50.00 to process the survey, etc.

The Ministry have assured us that the plan will not extend to private property owners, only commercial property. People in business, of course, are coming more and more to expect this sort of discrimination where they pay, and the rest of the population gets the same privilege at no cost. The suggestion that this gives you a better legal position on the management of your water frontage is valid, but of course when you consider you still don't have the same control of that 66' allowance back from the high water mark, it loses a great deal of its effectiveness.

We understand many water lot contracts are presently in the midst of being processed and the Chamber apologizes for any inconvenience the previously published statements may have caused, but they were made in good faith.

Bob Palmer has just sent us a copy of his latest issue of "Holiday Country" and we are certainly impressed with the nice spread he devoted to Haliburton and the Winter Carnival. About a page and a quarter have been devoted to Haliburton including a special column by Roy Bates. This newspaper deserves our support, since they are certainly doing what they can to support us.

COMING EVENTS

February 18, 19, 20 - Haliburton Rotary Winter Carnival and Cross Country Ski Tour.

February 22 - Pancake Supper at St. Paul's Church. 5 til 7 *

Officers of the Haliburton District Real Estate Board are (standing) Lynn Craigmyle, president; Roy Boughner, vice president; Don Hall, director; (seated) Bill Roodenburg, director; Marie Brown, secretary-treasurer; Jim Cooper, director; and absent when the photo was taken Norm Harrison, director.

Series resumes tonight

The Haliburton Huskies and the Bobcaygeon Tivats are now tied at one game apiece with the series resuming tonight in Bobcaygeon.

The two clubs will be back in Haliburton Friday night for a game slated to start at 8:30 p.m.

The fifth game of the series [if necessary] will be played Feb. 20 in Bobcaygeon.

Huskies

from page 7

Garry Ferguson sent the game into overtime for Bobcaygeon when he scored with less than five minutes to play. Lash picked up an assist on the play.

Roberts gave the Huskies the lead again, at the three minute mark of first overtime when he scored on a play from Curry and Nicholls.

Bobcaygeon evened the count at 9:23 of the period when Oliver scored unassisted.

The two teams then played scoreless until the 19:24 mark of the second overtime period when Oliver scored again, this time from Austin and Lash to give the visitors the win.

A total of 36 penalties were called in the game with 18 going to each club.

Gems of Truth

Christian Living at its Best
To be truly Christian means that the desire of the saved one is to so live that the honor of the Lord Jesus who saved him or her, is

never in disrepute. It is a serious matter as to how God's people live and conduct involves the honor of God, the cause of Christ, the welfare of believers, and

also the salvation of the lost. There is no one who can live to himself and not influence someone for good or evil. It is utterly selfish and wrong to act as if we could do as one pleases. The truly born-again Christian belongs to the Lord, having been purchased by Him at the price of Calvary. Having bought us there, we are His, and He is our Lord and Master. We owe Him reverence, love and obedience.

Being the Lord's own, we also have a great responsibility toward all others who are His own, as well as toward those who are still outside His fold. What we do and what we say leaves its mark upon all of them, both saved and unsaved. How important therefore, how we live!

The question then arises, how shall we know the right or wrong of any given course of conduct? Where shall we turn for a true and safe rule to determine our actions and way of life? Where else could we go but to the truth of Scripture to be sure? They alone abound with instructions for every emergency.

Here one finds great and broad principles given for all ages, and they are valid to day. If only Gods people would consult them more regularly and conscientiously.

Possibly the key to all Christian conduct is given in 1 Corinthians 10:31. How simple yet how profound are the words: "Whether therefore ye eat, or drink, or whatsoever, ye do, do all to the glory of God." To do things for the "glory of God" is to do them with the desire and purpose that He shall be honored by them and that His name be well spoken of.

Such a far reaching principle takes in all we do in life, whether it seem small or whether it be large and more important. This great principle as stated in the preceding verse, sets aside all personal desire and ambition for self-pleasing or personal advancement in the eyes of men. All of this is displaced by a real desire to glorify the Lord God. Were God's people honestly and earnestly seeking to follow this principle, many things would be left unsaid and undone that are said and done.

The words "whatsoever" speak of absoluteness. They embrace every possible action one could take. There

is no room here for any evasion, excuse or alibi. Col. 3:17, 1 Cor. 10:31, Prov. 3:6. The Christian life is nothing less than the whole life of the Christian, lived unto Him, and such living is a pure delight. Such living is a charitable life in relation to weaker Christians or Babes in Christ, so lived as not to become a stumbling block to them. 1 Cor. 8:7-13, Rom. 14:13, 21. It covers the question of amusements, the use of drink, or anything that might hinder the spiritual growth of another one. Rom 15:1-3. If there is the least shadow of a doubt concerning anything, the best way to do is let it alone. This is the safe way.

Saying "no" to self is aptly expressed in a street sign that hung in a tailor-shop and dyeing business which read "I Live To Dye, I Dye To Live, The More I Dye The More I Live, The More I Live The More I Dye." (Gal. 2:20) The truth of these words are found in that the more one is dead to self, the more alive that one is to God and the Lord Jesus Christ is able to live His Life in that child of His. Rom 6:11.

Whether therefore ye eat, or drink, or whatsoever ye do, make sure that the Lord who saved you is glorified thereby. What safer rule for conduct can you find?

The Word of God

by Brian V. Sullivan

In our former articles we have given a brief survey of the Old Testament books, history and events. Now, we turn our attention to the New Testament.

The history of the life of Jesus the Christ is found in the first four books of the New Testament, namely, Matthew, Mark, Luke and John. They record the events of his life beginning with the preparation for his birth and ending with his ascension to heaven again, some forty days after his resurrection. The death of Christ becomes the focal point in the history of God's dealings with man. For with his death the Old Testament was fulfilled and consequently removed for the inauguration of the New Testament (Hebrews 9:15-17). Remember from the standpoint of history, the first four books are accounts of events that happened under the Law of Moses. However, from the standpoint of their teaching, we can properly include them in the Gospel dispensation for their teaching for the most part is applicable to this dispensation.

Some might be inclined to ask: "Why four records of the life of Christ?" Certainly one such book from God would have been sufficient,

but God's wisdom has seen fit to give us four. It seems rather clear that each book was designed for a somewhat different audience and therefore each writer approached the subject in a different way. Thus, four books supplement each other without contradiction.

Let us consider the first of the four books today. The book of Matthew was written by Matthew who was an apostle and an eyewitness of the life and events of Christ. Matthew emphasized the

manner in which Jesus fulfilled Old Testament prophecies. This type of evidence would have appealed to Jewish readers. He quotes far more of the Old Testament prophecies than any other. In fact, allusions are made to sixty-five O.T. passages, and forty-three are verbally quoted, a number equal to that of all the other books (gospels) combined. Thus, an earmark of Matthew's book is the expression "that the scripture might be fulfilled."

Stanhope forms new recreation committee

A Recreation Committee formed Jan. 19 by five Stanhope citizens is already taking steps towards promoting recreational programs and facilities for the Stanhope community.

The Committee is to meet Wednesday with as many of Stanhope council as possible to go over preliminary plans for a recreation centre and Council on Feb. 9 learned of the progress that the committee has made to date, and Reeve Sinclair Nesbitt authorized the committee to go ahead with its plans. He said that rather than having the committee come to council to ask what could be done, they should "put it the other way around. We would rather that you had some strength and if you have any problems, you come to us and tell us how we can help."

The committee is to meet Wednesday with as many of Stanhope council as possible to go over plans of the municipal land behind the fire hall and library that has been considered for development as a recreational area. B. Napier Simpson, councillor, promised to have preliminary drawings of the land prepared before the meeting so that uses may be discussed with the committee. Dorothy Kinsman chair-

ing the committee, was present at council to request that something be done with the planning of space for tennis courts, a ball diamond and perhaps a future community hall and swimming pool. She noted that it would be best to plan the whole area with all future expansions in mind.

Mr. Barclay outlined the ways in which the committee

has already been at work.

Janice Barnes, in charge of skating has been working with a weekly figure skating program held Saturday at the Leslie Frost Natural Resources School in Dorset.

There were 20 to 25 children out on the first day, and one mother a week is providing hot chocolate for the participants. The Ministry of Natural Resources is caring for snow removal once a week. The committee has made arrangements for additional maintenance, and asked that council pay those costs. Council agreed, noting that Stanhope was pleased to have had such

excellent co-operation from the Frost Centre on this matter. Reeve Sinclair Nesbitt called their help "a god-send". The committee is still looking into a possible location for a rink in Stanhope, since the rink begun next to the municipal offices did not work as expected.

Ray Woodward of the Recreation Committee is preparing an estimate for bleachers for a ball diamond, and Dorothy Kinsman, in charge of the swimming committee, is looking for a place to set up Red Cross instruction in Stanhope in the summer.

Minden's intention to find a swimming area close to town rather than at 12 Mile Lake, will mean that Stanhope swimmers will have further to go this summer.

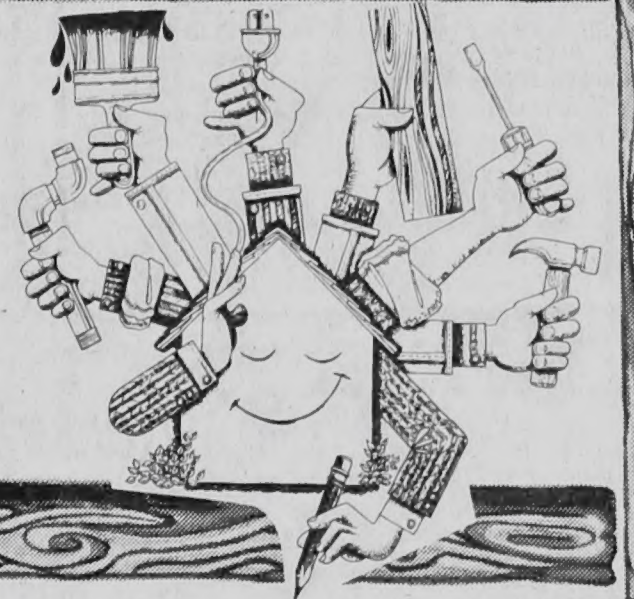

Mr. Barclay has been investigating the costs of tennis courts, and Alex Stevenson is investigating grants that are available for the projects.

The enthusiasm generated by the committee at the Stanhope council meeting alone should develop into very real results before long. The amount of work and thought that has already been shown by committee members is proof of that.

Investigate 43 occurrences

Members of the Minden detachment of the Ontario Provincial Police investigated 43 general occurrences and eight motor vehicle collisions during the week of Feb. 7 to 13.

During that time there were nine break-ins reported, one compassionate message delivered, five persons charged with snowmobile violations and four persons charged with impaired driving.

Fire wardens

Fire Wardens for Stanhope council were recommended for appointment at the Stanhope council meeting last Wednesday.

Those named are James Moore, Robert Baker, Gordon Martin, Harry Martin, Ray Welch and Larry Hewitt.

James Moore, Robert Nangle and Robert Baker were appointed fire permit issuers for the year.

Obituary

FERGUSON - Richard Ross of Wilberforce, Ontario suddenly at his home on February 5, 1977 in his 69th year.
